2026 Local Park Renovation Grants

Awarded 2026 Grants

Awarded Grants are shaded in RED

Adams Township

This project includes the purchase of AED enclosures from AED Team, and installation by Shever Electric.

Total Project Cost	\$ 10,675.00
Local Share Project	\$ 3,175.00
Requested County Funding	\$ 7,500.00

Bruin Borough

This project will include the purchase and installation of new playground equipment in the borough park.

Total Project Cost	\$ 104,753.00
Local Share Project	\$ 97,253.00
Requested County Funding	\$ 7,500.00

Clay Township

This Project will include the purchase of 150 yards of engineered wood fiber to bring the fall surface under the playground equipment up to the recommended depth of 12 inches to avoid injury from falls.

Total Project Cost	\$ 4,822.00
Local Share Project	\$ 1,205.50
Requested County Funding	\$ 3,616.50

Chicora Borough

This project will include the paving of a parking lot.

Total Project Cost	\$ 49,910.00
Local Share Project	\$ 42,410.00
Requested County Funding	\$ 7,500.00

Connoquenessing Borough

This Project will include the purchase and installation of additional fencing to complete the existing pickleball court, the purchase and installation of new basketball hoops on existing court, and 8 bollards in front of the basketball court.

Total Project Cost	\$10,000.00
Local Share Project	\$ 2,500.00
Requested County Funding	\$ 7,500.00

Cranberry Township

This project includes the purchase and installation of amenities for a new outdoor fitness area within Graham Park, such as park seating and bicycle racks.

Total Project Cost	\$ 10,000.00
Local Share Project	\$ 2,500.00
Requested County Funding	\$ 7,500.00

East Butler Borough

This Project will include the purchase of mulch, dog waste station, swings, new equipment, and picnic table. These items will improve safety, sanitation, and functionality of the park.

Total Project Cost	\$ 11,123.90
Local Share Project	\$ 3,623.90
Requested County Funding	\$ 7,500.00

Eau Claire Borough

This project will consist of the resurfacing of the existing tennis court to include two pickleball courts at the Eau Claire Borough Community Park.

Total Project Cost	\$ 12,000.00
Local Share Project	\$ 5,000.00
Requested County Funding	\$ 7,500.00

Evans City Borough

This project will include the purchase and installation of a new electric sign to replace the existing sign. Installation will include trenching and electrical work.

Total Project Cost	\$ 37,775.00
Local Share Project	\$ 30,275.00
Requested County Funding	\$ 7,500.00

Harmony Borough

This project will include the resurfacing of the hiking trail with the purchase and installation of 250 tons of grade #10 limestone on a flat section of the trail, as well as a new picnic table and an adult swing to the Old School House Playground.

Total Project Cost	\$10,152.58
Local Share Project	\$ 2,652.58
Requested County Funding	\$ 7,500.00

Jefferson Township

This project will include the repainting of eleven existing Handicap Parking Stalls throughout the Laura J. Doerr Memorial Park at the various Pavilions, Soccer Field, Baseball and Softball Fields, and the SEBCO Swimming Pool. The current conditions of the paint on the handicap stall are faded and not very visible. This Project would bring all the parking stall designations up to current Federal Regulations.

Total Project Cost	\$ 3,000.000
Local Share Project	\$ 750.00
Requested County Funding	\$ 2,025.00

Marion Township

This project would include the installation of a concrete cornhole game on a cement pad, a sidewalk for access to the corn hole game, a new Marion Township Community Park entrance sign, a park hours sign, and 20 parking curb stops.

Total Project Cost	\$ 10,000.00
Local Share Project	\$ 2,500.00
Requested County Funding	\$ 7,500.00

Penn Township

This project will include the purchase and installation of disc golf baskets, concrete to secure the basket posts, and a padlock at each basket to deter theft. This will expand and exiting 9-hole disc golf course to a longer 18 basket course.

Total Project Cost	\$ 10,000.00
Local Share Project	\$ 2,500.00
Requested County Funding	\$ 7,500.00

Petrolia Borough

This project will include the resurfacing of the existing basketball court, the purchase and installation of new posts and backboards, the installation of a walkway linking the existing path to the Pickleball Court area, purchase of benches for players and spectators at the pickleball court, and the purchase and installation of additional fall surfacing for the existing play areas.

Total Project Cost	\$ 18,250.00
Local Share Project	\$ 10,750.00
Requested County Funding	\$ 7,500.00

Saxonburg Borough

This project includes the purchase and installation of a concrete slab in front of the new restroom and a sign for the front facing wall of the restroom at Roebing Park. This project will also include the purchase and installation of automatic locks on the restroom doors, increasing security and enhancing accessibility.

Total Project Cost	\$ 3,218.97
Local Share Project	\$ 804.75

Requested County Funding \$ 2,414.22

Zelienople Borough

This project will include the removal and repair of broken and missing tiles that pose safety risks at the pool.

Total Project Cost	\$ Unknown
Local Share Project	\$ Unknown
Requested County Funding	\$ Unknown
